Professional Expertise

Skylar joined Cushman & Wakefield in November 2011 as part of the Industrial Services Group in Cincinnati, OH. He then joined the South Florida Industrial Team in Miami in 2016. Skylar specializes in industrial properties, offering landlord and tenant representation in sales and leasing throughout. He is dedicated to diligently working with clients regarding real estate strategies and solutions to optimize business operations.

His occupier representation responsibilities include site selection, lease analysis, lease comparison, and lease/purchase contract negotiation. He understands reporting requirements, budgeting, underwriting, acquisition and disposition efforts. He represents owners of multi-tenant, private, and institutionally owned buildings.
